Quality products,
Produced in a timely manner,
Backed by dependable service!

CONN WELD

Conn-Weld Industries, LLC. is a world leader in the development and manufacturing profile wire shapes. Offering OEM and replacement screens to meet all types of industry demands. Our unique fusion welding process enables Conn-Weld to provide the strongest and most reliable welded bar screen plate technology in the world today.

Conn-Weld Profile Wire

Since 1975, Conn-Weld has been manufacturing its own profile wire. Instrumentation throughout our mill allows us to monitor every inch of wire to ensure quality. Through years of testing, we have determined the best metallurgical content for every pound of wire giving operators long screen life. Our capabilities, coupled with a team experienced in the application of profile wire, enables us to produce baskets with uniformity and superior strength.

Conn-Weld Patented Fusion-Weld

Conn-Weld's Fusion-Weld process has proven to give operators the best screening efficiency, low maintenance, and long screen life in the industry. Utilizing a patented fusion-welding process, Conn-Weld can hold very close tolerances while providing a basket that will withstand the harsh conditions of pulp, paper, and recycling processes.

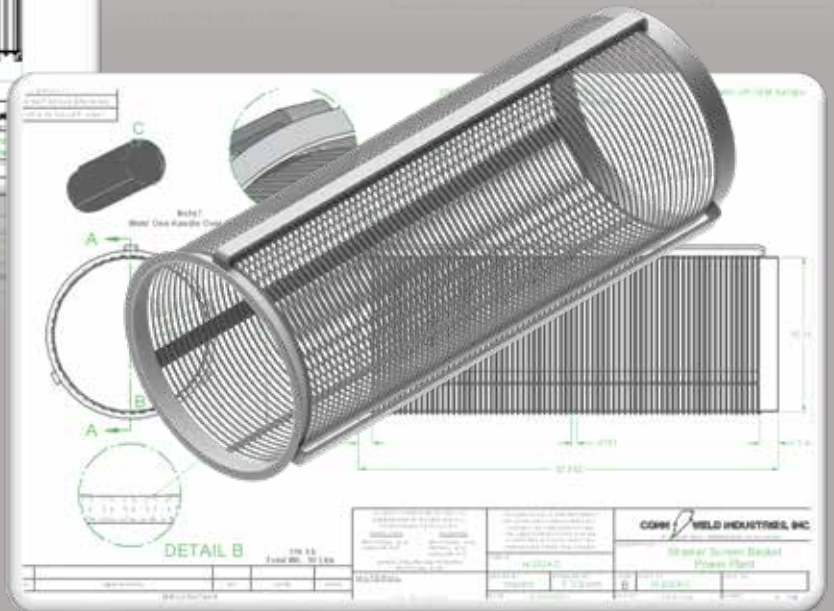

The most reliable welded bar screen plate technology in the world today!
Manufacturing profile wire to produce baskets with
uniformity and superior strength.

Custom designed for your application to give you the best benefits for your operation. Conn-Weld partners with you creating products to meet your toughest challenges.

Applications

- Approach Flow
- Pulp Mill
- Stock Preparation
- Recycle Screening
- Broke System

Benefits

- Improve Quality
- Increase Production
- Reduce Downtime
- Reduce Waste/Increase Yield
- Reduce overall cost of production

Designed with your application in mind!

Conn-Weld offers an unlimited range of baskets for the pulp and paper industry in all applications.

- Wedge Wire Slotted Baskets with slots down to 0.076mm (0.003")
- Sidehill screens and replacement screen mats
- Coating kitchen and white water filter baskets

An unlimited range of baskets!
