

# RETRIEVER<sup>®</sup> 6T

## NON-CDL

- UP TO 12,000 LB LEGAL PAYLOAD
- BED DIMENSIONS: 20' (L) X 102" (W)
- BED HEIGHT: 41"

## THE RETRIEVER ADVANTAGE

### No Idle System™

Load and unload payloads up to 12,000 lbs. with the truck's engine turned OFF

### Patented Bed Design

The Retriever's curved deck creates the lowest loading angle of any similar product

### Greater Flexibility

One Retriever can do the work of several different types of trucks

## ABOUT US

Versatran, a division of Metalcraft of Mayville, is dedicated to the design and manufacturing of products for transportation of construction and industrial equipment. Many years of experience in equipment transportation along with vast knowledge of our customer's needs have lead to a unique patented Retriever design that is unmatched for efficiency, safety, durability and environmental friendliness.
